ABOUT

Wilma is a 1969 Ford Shasta camper that was converted into a mobile bar and event space in 2023, operating as an extension of One Bourbon. She is capable of carrying two kegs, a full bar, and any refrigerated beverage. By booking her for your event, you invite the party.

Wilma is set-up as a stand alone bar, pulled by a 2021 Chevy 1500 truck. She has a portable generator for power and does not need an electric hookup. Additionally, she has a potable water storage system and does not need water access.

Decorated and styled after the 1970's, Wilma is a retro vibe on the inside and flat black on the outside. She is able to be parked on any level ground.

Wilma does not sell or furnish food. She is also not allowed by law to serve alcohol on any land that already has a liquor license, or operate as a cash bar. She is perfect for backyard parties, graduation celebrations, and stand alone event spaces.

Renting Wilma includes bar package items, bar staff as needed, set-up, delivery, fuel, portable generator for power, potable water storage system, ice, bottled water, disposable drinkware, beverage napkins, N.A. beverages (small selection), and refuse containers.

BAR OPTIONS

Wilma's bar menu operates on four different drink packages. Each bar package comes with its own quality of spirits, number of signature cocktails, and types of available wine and beer. (Those different packages are detailed below.) Wilma also carries a selection of mixers and garnishes to make several cocktails such as an Old Fashioned, Manhattan, mixed drinks, etc. All syrups, shrubs, drams, cordials and juices are freshly made in house.
